Save the Environment

Each day, thousands of items end up in our landfills - a great deal of these items were previously thought of as "unrecyclable". Misfit Acres Inc collects many of these items and proceeds help support our rescue.

From 2004 to date, Misfit Acres Inc has submitted over 6.1 million pieces of recycling materials to our recyclers.

Feed Horses in Rescue

Since the beginning of these programs in 2004, Misfit Acres Inc has raised over \$60,000.00 to help support its mission of:

"Saving One Horse at a Time".
